**JOINT STATUS REPORT**

Pursuant to the Court’s Status Report Order of September 22, 2021 (ECF No. 30), the parties respectfully submit this Joint Status Report. The September 22 order continued the stay in these proceedings and directed the parties to file a joint status report every 30 days.

In July 2021, shortly after the U.S. Supreme Court denied the petition for writ of certiorari (No. 20-1162) and the Government’s conditional cross-petition (No. 20-1432) in *Maine Community Health Options v. United States*, which sought review of the Federal Circuit’s CSR decision in *Community Health Choice, Inc. v. United States*, Nos. 2019-1633, -2102, 2020 WL 4723757 (Fed. Cir. Aug. 14, 2020), the parties began discussions regarding the next steps in this litigation. Several different attorneys, collectively representing a large number of plaintiff health plans—including the plaintiff here—engaged Government counsel in discussions regarding potential resolution of the CSR matters through settlement.

On February 17, 2022, the parties filed a Joint Stipulation for Entry of Partial Final Judgment (ECF No. 34) to resolve damages owed through December 31, 2017. On February 18,

2022, the Court granted the Stipulation and directed the Clerk to enter partial final judgment (ECF No. 35).

With respect to remaining damages after December 31, 2017, the parties' resolution efforts are progressing, and the parties respectfully request that the stay of this matter continue for an additional 60 days, at which time the parties will file a joint status report. Good cause exists for the Court to continue the existing stay of this case. On December 3, 2021, Plaintiffs' counsel shared a proposal with the Government to attempt to collectively resolve the damages and mitigation issues in the CSR cases without further litigation or to significantly streamline resolution of the remaining damages/mitigation issues in these cases. The complexity of the CSR cases and the large number of interested stakeholders necessitates that the parties be afforded additional time to complete these efforts. The Government is reviewing the proposal and consulting with the client agency and its actuaries. The Government hopes to provide Plaintiffs with a substantive response soon.

The parties therefore jointly propose that they file another status report in 30 days as required by the Court's September 22 order.
